30th Anniversary of the Cursillo Movement in the Diocese of Bathurst

The Cursillo Movement was introduced to Bathurst Diocese in 1985, by teams from the Diocese of Canberra and Goulburn.

Since then, well over a thousand people have taken part in a Cursillo weekend retreat in Bathurst Diocese. For most, the experience has been a great encouragement in their spiritual journey; for some it has been life-changing, and for a few it has literally been life-saving.

On the first weekend in May 2015 Bathurst Diocese will be celebrating the 30th anniversary of the introduction of Cursillo, and giving thanks for the positive impact it has had on so many lives.

Keynote speaker at the event will be Diana Smith, National Lay Director of the Anglican Cursillo Movement in Australia.

Our programme also includes other inspirational speakers from within and beyond the Diocese of Bathurst, who will explore the theme of the weekend, *You have called my name*, as we look back over 30 years and then look towards the future.

Book now and take advantage of our Early Bird discount of 10%.

We look forward to celebrating our anniversary with you on May 1-3
